

Nordic Sea Meetings

Nordic Sea Hotel is inspired by Stockholm and is the ideal place to experience the ambience of the city. We are located next door to the Arlanda Airport Express train and to the Central Station where many people experience Stockholm for the first time.

Enjoy meetings, conferences and events in our modern and stimulating surroundings. You can choose between 12 meeting rooms, the largest of which holds 90 people. We also offer inspiring activities – visit the world’s first permanent icebar ABSOLUT ICEBAR STOCKHOLM or enjoy an ice sculpting competition together with your delegates.

With its 367 hotel rooms, Nordic Sea Hotel is a reliable resource for events. Our bar and restaurant can seat up to 150 guests. Place your event here with us – we will adapt the atmosphere and design of the event to suit your requirements.
