

Nordic Sea Hotel Room description

NORDIC SEA HOTEL is the genuine Stockholm hotel, situated in the very heart of the city. We are located next door to the Arlanda Airport express train and to the Central Station where many people experience Stockholm for the first time. Let your Stockholm adventure begin in our secure and caring environment.

THE HOTEL ROOM is your temporary home, a place where you should find everything you need. Safety and security are naturally high on our priorities, as is quality. We offer 367 rooms in three categories – Express, Standard and Superior. They all have handmade beds from Hästens, specially designed bed linen, soft, fluffy duvets and ample pillows.

Which room suits you best? Turn the page and read more about our different room categories, or visit www.nordicseahotel.com for more pictures.
